		1 Unit = 1 Mask

Discount for duo dealers and non-profit organizations: 10%

Why we produce mask for businesses:

We are a tradeshow manufacturing company with an expertise in dye sublimation (fabric printing). To do our part in this pandemic, we are leveraging our expertise to help other companies get back to work and protect their employees. We knew we had to make masks for our teams and we knew other companies had the same need. So until tradeshows start again, we retooled our production facility to deliver fabric masks for our partners, our clients and other businesses who may need them.

We will be donating 10% of all mask sales to non-profit organizations that help those that have it the worst, and the healthcare professionals that fight for us.

Our teams in our North American locations have selected these charities:

- IN LAS VEGAS: 3 Square FOOD BANK (https://www.threesquare.org/)
- IN CHICAGO: SHELTER IN PLATES (https://www.shelter-in-plates.com/)
- IN MONTREAL: LES POPOTES roulantes (https://www.popotes.org/)
